

Executive Park

This aerial rendering illustrates the Executive Park development, a large-scale urban project. The plan features a central cluster of red-colored buildings, including a large 'Medical' complex, several 'Office' buildings, a 'Residential' area, and a 'Hospital'. Other labeled structures include 'EP 12 Brain Health', 'EP 17 Office', 'EP 59', 'Cortland', 'Courtyard Marriott', 'MSK', 'Hawks', and 'Brighten Park Shopping Center'. A 'Future CHOA Site' is also indicated. The development is bounded by I-85 to the north, Sheridan Rd to the south, and N. Druid Hills Rd to the east. Internal roads like Executive Park Dr and Executive Park S are shown. The plan includes extensive green spaces, trees, and pedestrian paths, with various colored lines (blue, orange, red) delineating different zones or infrastructure elements. A dashed red line runs diagonally across the site, possibly representing a transit corridor or boundary.
